

Codsall Christmas Fair 2024

Correspondence address
Codsall Christmas Fair Group
21, Oaken Lanes
Codsall WV8 2AH

We are delighted to announce
Codsall Christmas Fair

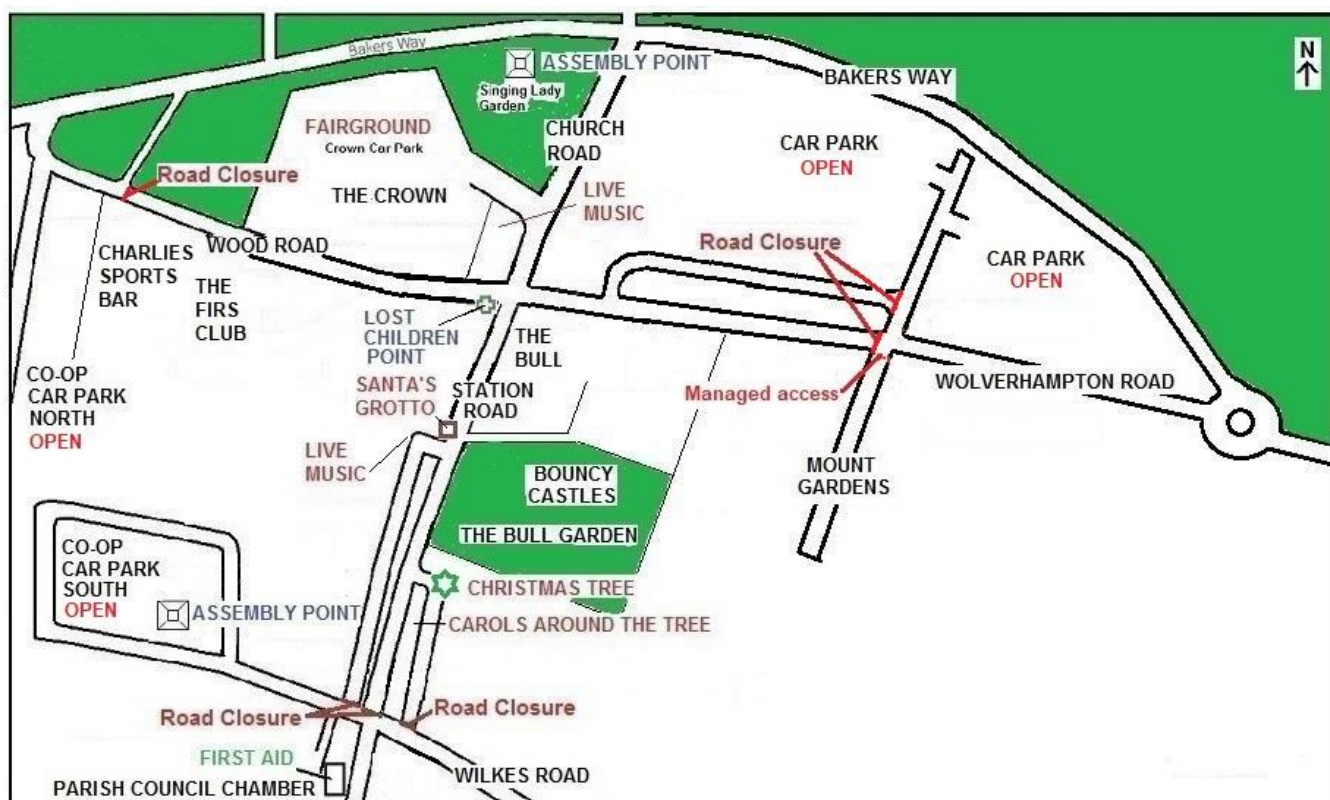

The event date this year is Friday 6 December 2024

This letter is to advise you of the arrangements for this year's event

Since its inception in 2015, **Codsall Christmas Fair** has become the “go to” Christmas event in South Staffordshire attracting a record attendance of some 4,000 visitors in 2023 and really putting Codsall on the map. We are naturally very keen for the event to continue to be the success it is and, to this end, we have pleasure in confirming the arrangements for Christmas 2024.

The event will again be located in the village centre with stalls in Station Road, Wolverhampton Road, Wood Road and The Square, the fairground on The Crown car park and bouncy castles at The Bull.

It will again include live music, street entertainment, fairground rides, plenty of hot food and drinks and stalls selling a huge range of Christmas gifts, decorations and local produce and, of course, our traditional “Carols around the Christmas Tree” featuring local school choirs and the band of the Salvation Army.

The road closures will be from **2pm to 9.30pm** and will affect:

Station Road: Between the Square and Compton Hospice Shop

Wolverhampton Road: Between the Square and Mount Gardens / entrance to Bakers Way car parks

Wood Road: Between the Square and the bus turning lane, opposite Charlies Bar

There is no vehicle access to **The Crown** car park throughout the day or **The Bull** car park after 2pm.

The road closures will leave unrestricted access to and from Wilkes Road, Bakers Way, Mount Gardens and the remainder of Wood Road, Wolverhampton Road and Station Road. Both Co-op car parks and the Bakers Way car parks will be unaffected and additional parking for visitors is also available at both Codsall Station and the District Council offices so as to minimise congestion in the village.

Although businesses and most residents in Station Road and Wolverhampton Road have access to the rear of their premises, we do recognise that residents of Kenmare House in Station Road will not be able to bring vehicles in or out during the event. We would therefore suggest that if you are likely to need a vehicle, you may wish to leave it on one of the village car parks during the event.

If businesses in Wood Road are expecting deliveries or collections, please advise all parties that they will not have access to the closed portion of Wood Road during the event. Our apologies for any inconvenience but it is only for a few hours and it is a very good cause.

For residents of The House by the Square in Wood Road, you will still have access to and from your car park at the rear of the building but you must ask a marshal to escort your vehicle through the closed section. Please drive very carefully as there may be children in the street.

To the residents of Wheel Avenue and Wilkes Road, we recognise that you have a right to park outside your homes but as these roads will be a temporary route for through traffic, if you have the option to park on your driveways, or elsewhere in the immediate area, just for the few hours whilst the Christmas Fair is on, this would be very much appreciated. Many thanks for your kind understanding.

Finally, please do not leave a vehicle anywhere in the Event Area on the day as it will severely restrict access for Stallholders and may obstruct emergency service vehicles

We do hope you will come and enjoy the event. We hope it will again be a great success and an exciting start to the festive season. If you have any questions, please call Lewis Stovin on 07785 771404 or Megan Barrow on 07702 310939 or send an email to info@codsallchristmasfair.co.uk or via the Christmas Fair website at www.codsallchristmasfair.co.uk

Codsall Christmas Fair Group has had the honour of being voted “Volunteer Team of the Year” by Support Staffordshire for both 2021 and 2022. This reflects not only time and effort put in by our small organising group, but also the contribution this event makes to the community of Codsall.
