We are delighted to announce Codsall Christmas Fair 2025

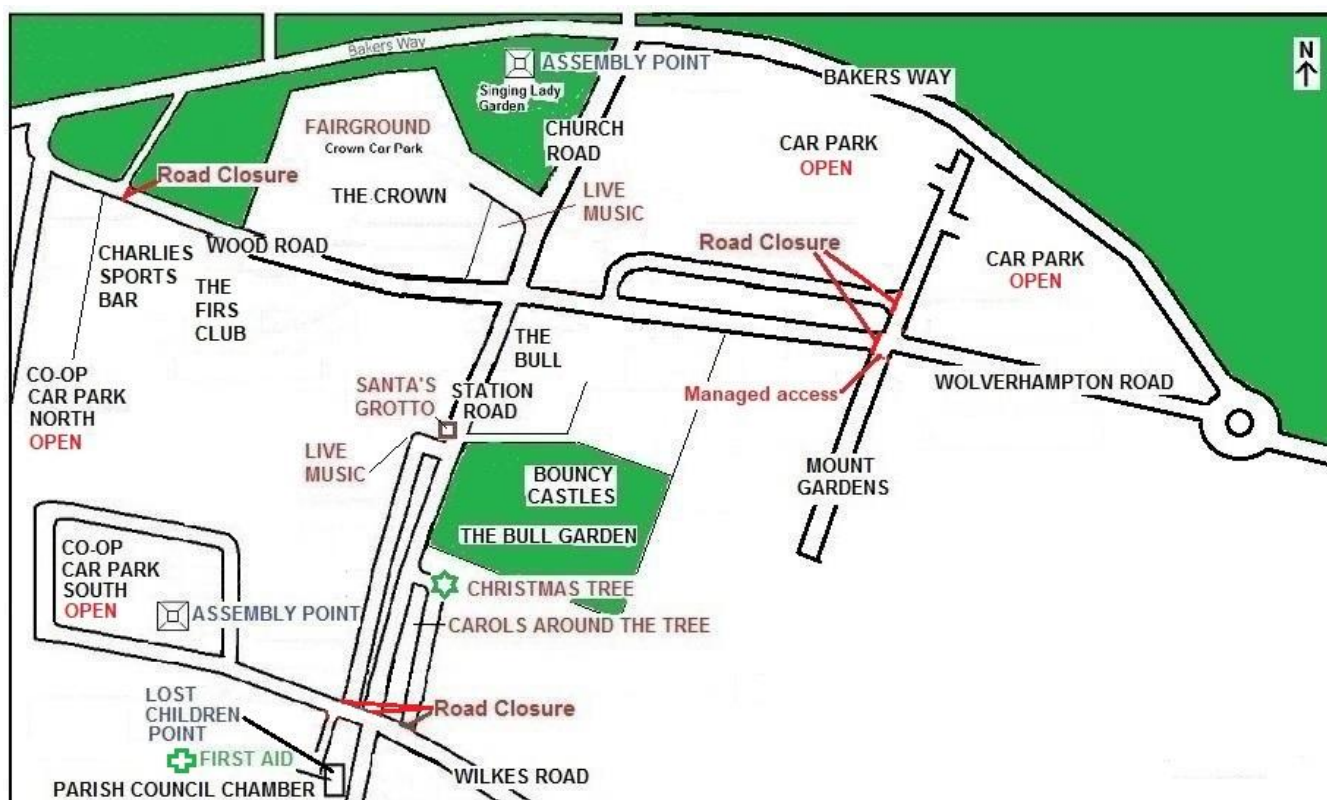

The event date this year is **SUNDAY 7 December 2025**

This letter is to advise you of the arrangements for this year's event

For the first time ever, and in response to overwhelming popular demand, we have moved the event to **SUNDAY 7 DECEMBER**. It will also start and finish earlier, from 2pm to 7pm.

Since its inception in 2015, **Codsall Christmas Fair** has become the “go to” Christmas event in South Staffordshire attracting a record attendance of some 4,000 visitors in 2023 and really putting Codsall on the map. We are naturally very keen for the event to continue to be the success it is and, to this end, we have pleasure in confirming the arrangements for Christmas 2025.

The event will again be located in the village centre with stalls in Station Road, Wolverhampton Road, Church Road and The Square, the fairground at The Crown and bouncy castles at The Bull plus three live bands and two street entertainers. There will also be plenty of hot food and drinks and stalls selling a huge range of Christmas gifts, decorations and local produce.

The village centre roads will be closed from **12 midday to 8.30pm** and will affect:

Station Road: Between the Square and Compton Hospice Shop

Wolverhampton Road: Between the Square and Mount Gardens / entrance to Bakers Way car parks

Wood Road: Between the Square and the bus turning lane, opposite Charlie's Bar

There is no vehicle access to **The Crown** car park on the day or **The Bull** car park after 12 midday.

The road closures will leave unrestricted access to and from Wilkes Road, Bakers Way, Mount Gardens and the rest of Wood Road, Wolverhampton Road, Station Road and Church Road. Both Co-op car parks and the Bakers Way car parks will be unaffected and additional parking for visitors is also available at the Village Hall, Codsall Station and at the District Council offices so as to minimise congestion in the village.

Although businesses and most residents in Station Road and Wolverhampton Road have access to the rear of their premises, we do recognise that the residents of Kenmare House in Station Road and the House by the Square in Wood Road will not have access to their car parks between **12 midday and 8.30pm** on the day of the event. We would therefore suggest that if you are likely to need a vehicle during these times, you may wish to leave it on one of the village car parks until the end of the event.

If businesses in Wood Road are expecting deliveries or collections, please advise all parties that they will not have access to the closed portion of Wood Road between **12 midday and 8.30pm** on the day of the event.

Our apologies to everyone inconvenienced by these arrangements but it is only for a few hours a year and it is a very good cause.

To the residents of Wheel Avenue and Wilkes Road, we recognise that you have a right to park outside your homes but as these roads will be a temporary route for through traffic, if you have the option to park on your driveways, or elsewhere in the immediate area, just for the few hours whilst the Christmas Fair is on, this would be very much appreciated. Many thanks for your kind understanding.

Finally, please do not leave a vehicle anywhere in the Event Area as it will severely restrict access for Stallholders.

We do hope you will come and enjoy the event. We hope it will again be a great success and an exciting start to the festive season. If you have any questions, please call Lewis Stovin on 07785 771404 or Megan Barrow on 07702 310939 or send an email to info@codsallchristmasfair.co.uk or via the Christmas Fair website at www.codsallchristmasfair.co.uk

Codsall Christmas Fair Group had the honour of being voted “Volunteer Team of the Year” by Support Staffordshire for both 2021 and 2022. This reflects not only time and effort put in by our small organising group, but also the contribution this event makes to the community of Codsall.
